

Product Sheet

Split Tube Line Hose

CCI's new product line of silicone split tube insulation hose is the latest edition to our 'CoverSmart' brand of wildlife protection products.

Product Description:

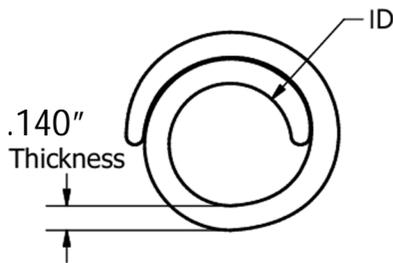

Split tube silicone insulators provide a critical level of protection for distribution and sub-station hardware, preventing incidental wildlife contact from disrupting system operation and help prevent outages.

Specifications:

Part Number	ID (inches)	Wall thickness	Weight/ft	Packaging	Color
CCI -ET-350G	.350"	.140"	.18 lbs	50' box	Grey*
CCI -ET-500G	.500"	.140"	.22 lbs	50' box	Grey*
CCI -ET-750G	.750"	.140"	.29 lbs	50' box	Grey*
CCI -ET-1000G	1.00"	.140"	.46 lbs	25' box	Grey*
CCI -ET-1250G	1.25"	.140"	.56 lbs	25' box	Grey*

* also available in red

Side cut of CCI-ET-750G

Material: Silicone* rubber.
Hardness: Shore A 75 +/-5
Max Voltage: >28Kv phase to ground
Tensile strength: >1200 psi
Elongation: 300%
Flammability: 94 V-O
 *Excellent UV properties and Ozone Resistance
 *Excellent cold temperature performance
 Made in Vietnam
